Dear Friends:

Thank you for holding your second “Everyone’s Two Cents Counts” Drive held during heart month in February. Your gift of \$2,000 will immediately be used to cover the costs of patient care and allow others to benefit from Deborah’s specialized expertise. We are pleased to inform you that the Lindenwold School #4 will be placed on our Donor of Distinction Wall located here at Deborah for the year 2024.

As you already know, at Deborah we believe that “There should be no price on life,” our patients receive the very best cardiac and pulmonary care without being rendered a bill. Through your generosity, we are able to maintain our world-renowned reputation of compassionately caring for those in need of our specialized services.

Once again please extend our gratitude to the faculty and students of Lindenwold School #4 for their dedication to helping others. We remain a relentless force for a world of longer, healthier lives.

Sincerely,

Doreen Liller
