

LINDENWOLD PUBLIC SCHOOLS

ADMINISTRATION BUILDING • 801 EGG HARBOR ROAD • LINDENWOLD, NJ 08021

DR. KRISTIN P. O'NEIL
Superintendent of Schools

August 2, 2022

Hello Lindenwold Public School District Families,

I hope you are having a wonderful summer; and have had time to relax and enjoy with family and friends.

As you are aware, Lindenwold Public Schools have partnered with Champions to provide before and after school services next school year. Champions provides high-quality programs where children can foster their love of learning and explore their curiosities and interests in a safe, enriching space. The programs will take place at Lindenwold Preschool, School 4 and School 5.

If you are interested in registering your child for the Champions program, I am writing to encourage you to enroll in the program and save a space for your child as soon as possible.

To enroll your child, please visit:

<https://www.discoverchampions.com/> and click "Enroll Now" to create your account.

If you are a family with demonstrated financial need, vouchers will be available through Child Care Services of Camden County: <https://www.camdencounty.com/service/childrens-services/>

The Lindenwold Champions team are in the process of obtaining childcare licenses for the program. The license numbers are required for Camden County to provide financial support, and Champions will be reaching out to all families as soon as the information is available. **Please note that you must be registered in the Champions program to qualify for the voucher.**

Champions Contact Information:

Champions Family Support: 1-800-246-2154 *(for registration assistance)*

Amanda Longyard, Program Manager: amanda.longyard@discoverchampions.com / (609) 621-6713 *(for questions specific to Lindenwold Champions)*

I thank you for your prompt attention to this matter, and hope that you will consider Champions for your before and after school needs next school year.

Kind regards,

Dr. Kristin P. O'Neil
Superintendent of Schools
